latico®

Discover our collection of beautifully- designed leather essentials. Each piece embodies a bohemian aesthetic, breezy attitude, and independent spirit.

After three decades of working with leather, we've created heirloom-quality pieces that ripen with age. We hand-select each hide and use a unique blend of natural dyes so the natural character of each leather shines through.

Each Latico bag is handmade with love by talented artisans throughout South America and India. We're passionate about environmental sustainability and giving back — our leathers are byproducts of the meat and dairy industry that would otherwise go to waste.

Additionally, we donate 10 meals to Feeding America for every purchase made on our website. Thanks to our loyal customers, we've been able to donate 218,430 meals and counting to this incredible organization.
