PROJECT SOCIAL T

LOS ANGELES

Project Social T was made for real life unfiltered, on the move, and unapologetically comfortable. We design the pieces you throw on and feel instantly right. No fuss. No overthinking. Just really good clothes.

Based in Los Angeles, our approach is relaxed but intentional. Elevated essentials with an edge, soft fabrics, worn-in fits, and silhouettes that feel effortless but never basic. Every piece is designed to look better the more you wear it.

We don't chase trends. We believe confidence comes from comfort and that style should feel natural, not forced. Our goal is simple: create everyday pieces that hold their own whether you're off duty, out late, or somewhere in between.

Project Social T is about dressing for yourself. For the days that don't need a plan. For the moments that just happen. Easy, lived-in, and always authentic.

The Let Me Know Relaxed Slub V Neck Tank is a staple for mastering the casual but cute look. With a slub 100% cotton fabric, flattering v-neckline, contrast rib edging, and relaxed fit, you'll find that this one is easy to style without much thought. Tuck into some trendy jeans and a fun belt for a playful look.

These just arrived today and they are flying out of here!
