Alice Mushroom Lamps

Thanks to its compact size of the mini Alice (12.5 cm height and 10 cm width) and super mini Alice (6.5cm height), you can place it on your bedside table, work desk, or a floating shelf for a truly unique look. Wherever you keep it, the Alice Mushroom Lamp will turn heads as it spreads its magic to every corner of the room. Offering up to 18 hours of battery life, this lamp is the best work/study/sleep companion. You can recharge it through the USB-C port in the back in no time to ensure your illumination partner is always on standby! For the large Alice Mushroom lamp, it gives you a much brighter and vibrant light and it's a truly proper piece of furniture and a star for any room.

This new design created by Gingko is another example of elegance, sophistication, and excellence. The bottom of the lamp is lined with a mat to avoid damage and scratches to your surface.

It's time to say goodbye to boring, dull lighting and breathe new life into your space with the Alice Mushroom Lamp!

CRAVE candles bring a touch of luxury to any space with their signature mercury glass vessels, which catch the light beautifully and add a warm, reflective glow.

Each candle pairs this elegant, vintage-inspired exterior with rich, layered fragrances that feel indulgent without being overwhelming. The result is a piece that works as both décor and sensory experience — something you display proudly even after the flame has burned down.
